Hell's Roll Call: Eight Different People Who Will Be In Hell

Revelation 20:14-15; Revelation 21:7-8; Luke 16

I am of the deep conviction that if there were more hell preached from the pulpit, there would be less hell played out in our homes.

Three Lessons Learned From Hell:

1. A man exists after he dies
2. There is constant torment in hell

Rob Bell:

"I find the very idea of hell morally repugnant and believe it is one of the main reasons why lots of people want nothing to do with the Christian faith. The idea that divine justice requires endless punishment for unrepentant sinners is laughable."

3. There are no second chances in hell

Eight Different Types of People That Will Go To Hell:

Revelation 21:8

1. The cowardly
2. The unbelieving
3. The abominable
4. The murders
 - Most Christians don't want to hear about God's forgiveness when someone they love was murdered...they want to see them fry. But if it their son was the one that did the killing, they would want their son to have forgiveness.
5. The whoremongers
6. The sorcerers
7. The idolatrous
8. The liars
